Report

Student–Faculty Exchange Program at Jaspuria B.Ed. College

Jaspuria B.Ed. College, Bisa, hosted a remarkable Student–Faculty Exchange Program on 13 & 14th Dec 2024, welcoming trainee teachers and faculty members from J.D. National B.Ed. College, Angada. The program was designed to foster academic collaboration and cultural interaction between the two teacher training institutions, providing a platform for sharing teaching methodologies, educational experiences, and innovative classroom practices.

The event commenced with faculty members from both colleges conducting subject-specific classes in their areas of expertise. These sessions not only enriched the academic experience of the trainees but also exposed them to diverse pedagogical approaches. Following this, a joint interactive class was held where trainees from both institutions participated in collaborative discussions, exchanged ideas, and engaged in practical teaching activities. This exchange of perspectives created a vibrant learning atmosphere, encouraging peer-to-peer engagement and professional growth.

To promote physical well-being and mental relaxation, a yoga session was conducted in the seminar hall. This session, guided by experienced instructors, offered participants techniques for stress management, concentration improvement, and maintaining overall wellness. The inclusion of yoga as part of the program highlighted the holistic approach to teacher education being adopted by the participating institutions.

The visiting team from J.D. National B.Ed. College was led by Assistant Professors Ms. Jagriti Lakra and Ms. Priyanka Jaiswal, who played a pivotal role in coordinating and guiding their group throughout the day.

Principal of Jaspuria B.Ed. College, Dr. Anil Kumar Mishra, formally welcomed the guests with warmth and hospitality. In his address, he elaborated on the mission, vision, and educational framework of Jaspuria B.Ed. College, emphasizing its commitment to producing skilled, compassionate, and innovative educators. He also highlighted the institution's achievements and the importance of such exchange programs in broadening the professional horizons of both faculty and trainees.

After the academic sessions, the visiting delegates were taken on a tour of the college campus. They explored the classrooms, library, laboratories, and cultural facilities, gaining a deeper understanding of the institution's learning environment. The guests expressed appreciation for the college's infrastructure, academic culture, and focus on value-based education.

The Student–Faculty Exchange Program concluded with a mutual expression of goodwill and a commitment to continuing academic cooperation in the future. The day's proceedings successfully reflected the shared goal of advancing teacher education through collaboration, innovation, and cultural exchange.
