Educational Tour Report

Batch 2024–26

The educational tour organized by Jaspuria B.Ed. College for the Batch 2024–26 was conducted from 20 February to 27 February. The purpose of this tour was to provide students with experiential learning opportunities, cultural exposure, and practical knowledge beyond classroom teaching. The tour included visits to historically and culturally significant places such as India Gate, Hadimba Devi Temple, Solang Valley, Atal Tunnel, Red Fort, and Raj Ghat.

The tour provided students with an opportunity to observe geographical diversity, historical monuments, and cultural heritage while strengthening cooperation and teamwork among them.

Day 1: 20 February

The educational tour commenced on 20 February with all students reporting at Ranchi Railway Station at 3:00 PM. After completing the necessary arrangements and guidance from the faculty members, the group boarded the Garib Rath Express 12877 at 4:25 PM for their journey to New Delhi.

The train journey provided students with an opportunity to interact with each other and discuss the objectives of the educational tour. The night was spent travelling on the train.

Day 2: 21 February

The group arrived in New Delhi at 11:10 AM. After arrival, the students had lunch and some time for rest. Later, the group visited the iconic national monument India Gate, which is dedicated to Indian soldiers who sacrificed their lives during the First World War.

The visit helped students understand the historical significance of the monument and its role in Indian national heritage. In the evening, the group departed for Manali by road to continue the educational tour.

Day 3: 22 February

The group arrived in Manali in the morning. After checking into the hotel and having lunch, the students went for a walking tour of important local attractions.

They visited the famous Hadimba Devi Temple, an ancient temple surrounded by cedar forests and known for its unique wooden architecture. Afterwards, the group explored Van Vihar National Park and spent leisure time at Mall Road, a popular place for shopping and cultural observation.

In the evening, a bonfire program was organized where students enjoyed cultural interaction and recreational activities. The night stay was arranged in Manali.

Day 4: 23 February

After breakfast, the students left for sightseeing in nearby areas. The group visited Solang Valley, which is famous for its breathtaking landscapes and winter sports activities.

They also visited the engineering marvel Atal Tunnel, one of the longest highway tunnels in the world located at high altitude. Later, the group visited Vashisht Hot Springs, known for its natural hot water springs and religious significance.

After a day of exploration and learning, the group returned to their hotel for the night stay in Manali.

Day 5: 24 February

After breakfast, the day was dedicated to adventure activities in the Manali region. Students participated in activities such as river rafting and paragliding, which helped them develop confidence, courage, and teamwork.

These activities also allowed students to experience the natural beauty and geographical features of the Himalayan region. In the evening, the group departed from Manali and travelled by road back to New Delhi.

The group arrived in New Delhi in the morning. After freshening up, students visited historical places including the magnificent Red Fort, a UNESCO World Heritage Site that symbolizes the rich history of the Mughal period.

They also visited Raj Ghat, the memorial of Mahatma Gandhi, where students paid homage to the Father of the Nation.

In the evening, the group boarded the Special Train 04210 at 7:25 PM for their journey to Varanasi.

Day 7: 26 February

The group reached Varanasi at 11:40 AM. After spending some time at the station and exploring the surrounding cultural environment, the group prepared for the return journey.

In the evening at 7:35 PM, students boarded the Vande Bharat Express 20888 for their journey back to Ranchi.

Day 8: 27 February

The tour concluded with the arrival of the group at Ranchi at 1:55 PM. All students safely returned with memorable experiences and valuable learning outcomes from the educational tour.

Conclusion

The educational tour was a highly enriching and memorable experience for the students of Jaspuria B.Ed. College. It provided them with exposure to historical monuments, natural landscapes, cultural heritage, and adventure activities. The tour also promoted team spirit, cooperation, discipline, and practical learning, which are essential qualities for future teachers.

Overall, the tour successfully achieved its objective of combining education, exploration, and recreation, making it a significant learning experience for the students of the B.Ed. Batch 2024–26.
