Value-Added Course Computer Application & ICT Integration for Teacher Trainees Annual Report(2021-2022)

Academic Session: 2021–2023 (B.Ed. First Year):

To strengthen the digital competencies of future teachers and promote the effective integration of Information and Communication Technology (ICT) in education, a 36-hour Value-Added Course on “Computer Application & ICT Integration for Teacher Trainees” was successfully conducted for the B.Ed. First-Year trainees of the 2021–2023 batch. The course was designed to equip teacher trainees with essential computer skills and practical knowledge of ICT tools required for modern classroom teaching and learning. All 100 teacher trainees enrolled in the course and actively participated in the various academic and practical activities conducted throughout the programme.

Course Structure and Teaching-Learning Methodology

The programme adopted a learner-centered and practice-oriented approach. Various teaching-learning methods were employed to ensure active engagement and meaningful learning among the trainees. These included:

- Interactive classroom sessions
- Demonstration-based learning
- Hands-on practical training
- Project-Based Learning (PBL)
- ICT-integrated teaching practice
- Assignment and presentation activities
- Guided internet exploration and online learning activities

The course provided extensive opportunities for trainees to work with digital tools, educational software, online platforms, and multimedia resources relevant to classroom teaching. Assessment and Evaluation

The performance of trainees was assessed through a comprehensive evaluation system comprising:

- Assignments
- Practical examinations
- Project work
- Attendance and participation

The overall performance of the trainees was highly satisfactory. More than 85% of the trainees secured excellent grades and marks through their assignments, projects, practical work, and attendance records.

Course Outcomes

- Upon successful completion of the course, the trainees were able to:
- Operate computer systems confidently and efficiently.
- Prepare digital documents, spreadsheets, and presentations.
- Design ICT-based teaching-learning materials.
- Utilize internet resources and online educational tools effectively.
- Integrate ICT into classroom teaching practices.
- Apply ethical, responsible, and safe practices in digital environments.
- Enhance professional competence through technology-enabled teaching and learning.

Academic Credit

The course carried 2 Institutional Credits, which were awarded to all trainees who successfully fulfilled the attendance and assessment requirements.

Merit Performance

The following trainees secured the highest marks in the course:

Komal Barch (Roll No.44) & Amrita Kumari(Roll No.68) scored 95%

Biva Rose Ekka(Roll No.01) & Chandan Kumar (Roll No.14) scored 94%

Their outstanding performance reflected their commitment, dedication, and proficiency in the application of ICT for educational purposes.

Certification

Upon successful completion of the programme, all eligible trainees were awarded Course Completion Certificates recognizing their participation and achievement in the Value-Added Course.

Conclusion

The Value-Added Course on Computer Application & ICT Integration for Teacher Trainees proved highly beneficial in enhancing the digital literacy and professional preparedness of the teacher trainees. The programme successfully developed essential ICT competencies required for contemporary teaching-learning processes and empowered trainees to become technologically proficient educators capable of creating engaging and innovative learning environments.

CERTIFICATE OF COMPLETION

This is to certify that **Mr./Ms.** _____

Roll No. _____ of B.Ed./D.El.Ed. Session _____

has successfully completed the **36 Hours ICT Value Added Course (JBC-VAC-ICT-01)**
organized by **Jaspuria B.Ed. College** during the academic session _____.

The course focused on enhancing digital competency and practical skills in:

Information &
Communication
Technology (ICT)

MS Office
Applications

Internet &
E-mail
Communication

Digital
Teaching
Tools

Smart
Classroom
Applications

Online
Learning
Platforms

Educational
Technology
Integration

During the course, the participant demonstrated sincere involvement, active participation, and satisfactory performance.

We wish him/her success in future academic and professional endeavors.
